20 – Finish! Burning sugar.	19 What type of change is fermentation?	18 Melting candle wax.	17 What type of change is sublimation?	16 Melting sugar.
11 A puddle ‘disappearing’ on a warm day.	12 Burning magnesium produce magnesium oxide.	13 A type of a change that is easily reversed.	14 What type of change is combustion?	15 Juice turning into ice lollies.
10 Mixing salt with water.	9 What type of change is condensation?	8 What type of change is rusting?	7 Making popcorn.	6 What type of change is dissolving?
1 A type of change that forms no new substances.	2 A type of change that is not easily reversed.	3 Baking cupcakes.	4 Solid changing to a liquid.	5 Freezing liquid nitrogen.

Rules of the game

Players must state whether the square they land on refers to a physical or a chemical change. Miss a turn for a wrong answer.

If a player lands on a ladder they can move up if they get the type of change correct. Miss a turn if the answer is incorrect.

When a player lands on a snake they can remain on that square if they get the type of change correct. If the answer is incorrect, they must go down the snake.
