Multiple intelligences

Student: ..... Class: .....

Which types of multiple intelligence am I good at?

Type of intelligence	I think I will score		
Verbal/linguistic	High	Medium	Low
Logical/mathematical	High	Medium	Low
Visual/spatial	High	Medium	Low
Bodily/kinaesthetic	High	Medium	Low
Musical	High	Medium	Low
Interpersonal	High	Medium	Low
Intrapersonal	High	Medium	Low
Naturalistic	High	Medium	Low

Let us see if you were right in your predictions. Complete the multiple intelligence questionnaire.

Multiple intelligence questionnaire

	Statement	Always true of me (4)	Often true of me (3)	Sometimes true of me (2)	Rarely true of me (1)
1	I like making and doing word puzzles.				
2	I can usually learn new maths work easily.				
3	I usually don't take very long to learn new sports and exercises.				
4	I like to try to fix things with small parts that aren't working well.				
5	I enjoy doing maths problems and puzzles.				
6	I can decide what I want, work out how to get it and then do what I need to do.				
7	I enjoy drawing and artwork.				
8	People have commented that I sing well.				
9	I enjoy writing stories.				
10	I enjoy playing a musical instrument.				
11	I often see clear pictures in my head when I close my eyes.				
12	I sing and hum a lot during the day.				
13	I have a good sense of direction and usually never get lost.				
14	I can judge well what I am good at and not so good at.				
15	I prefer to do things with other people than by myself.				
16	I like to read books a lot.				
17	I like making up and doing experiments to find out about things.				
18	I often have good ideas for what to play or do, and other people usually follow.

	Statement	Always true of me (4)	Often true of me (3)	Sometimes true of me (2)	Rarely true of me (1)
19	I like playing games like chess, draughts or mastermind, where you have to use clever thinking to win.				
20	I am sensitive to other people's feelings.				
21	After something has happened to me I like to think about my reactions to it.				
22	I always try to think about the effect my behaviour will have on other people's feelings.				
23	I think a lot about myself and why I am the way I am.				
24	I can recognise and remember songs and music easily.				
25	I am good at remembering jokes, rhymes and stories to tell others.				
26	I often find it easier to say what I want to communicate by using diagrams or drawings.				
27	I like playing ball games and computer games where I have to react quickly.				
28	I am good at imagining how things will look before I make them.				
29	When I meet new people I feel confident that I will be able to get along with them.				
30	I am confident that I can make my body do what I want it to do.				
31	I enjoy dancing.				
32	I can usually find the right words to communicate what I want to say.				
33	I am very curious about how things work.				
34	I like to listen to music a lot.				
35	I usually know what kind of mood I am in and why.				
36	I am keenly aware of my surroundings and of what goes on around me.				
37	I love to go walking in the park and looking at the trees, flowers and animals.				
38	I like to work alone without anyone bothering me.				
39	I enjoy listening to the radio.				
40	I have several very close friends.				
41	When looking at things I like to touch them.				
42	I have a good memory for trivia.				
43	I daydream a lot.				
44	I like to collect things, such as footy cards or stamps.				
45	I like helping out in the garden.				
46	My favourite subject at school is Maths or Science.				
47	As an adult, I want to travel the world and experience different cultures.				
48	If something breaks, I look around me to try to see what I can find to fix the problem.

Scoring

For each question put 4 points for every ‘Always true about me’ response, 3 points for every ‘Often true about me’ response, 2 points for ‘Sometimes true about me’ response and 1 point for ‘Rarely true about me’ response.

Place your scores in the chart below to see your relative strengths across eight intelligences.

Bodily/kinaesthetic		Music		Interpersonal		Intrapersonal	
Question number	Your score	Question number	Your score	Question number	Your score	Question number	Your score
