Sedimentary Rock
Rocky Road

Your task is to write a recount of the Rocky Road we made in Science.

The first part of a recount sets the scene: **when, who, what, where, why.**

When: _____

Who: _____

What: _____

Where: _____

Why: _____

Now put this information into a sentence.

On _____

_____

_____

_____

_____

The next part sets out what happened in order of events. Use appropriate words to express the sequence of events. Eg. firstly, secondly, next, after that, then, finally.

Describe in order what we did.

Firstly _____

_____

_____

_____

_____

_____

_____

_____

_____

_____

_____

_____

_____

_____

The final part of a recount describes the outcome.

When we had finished _____

_____

_____

_____

_____

Draw what your Conglomerate Rocky Road looked like when cut in half and label the parts. (Chocolate = Mud, Tiny Teddy = Fossil, Raspberry = Plant fossil, White choc chip = Rock, Marshmallow = Rock, Choc bits = Rocks)
