Cells

Put the following words into the correct space: bigger, building, microscope and organelles.

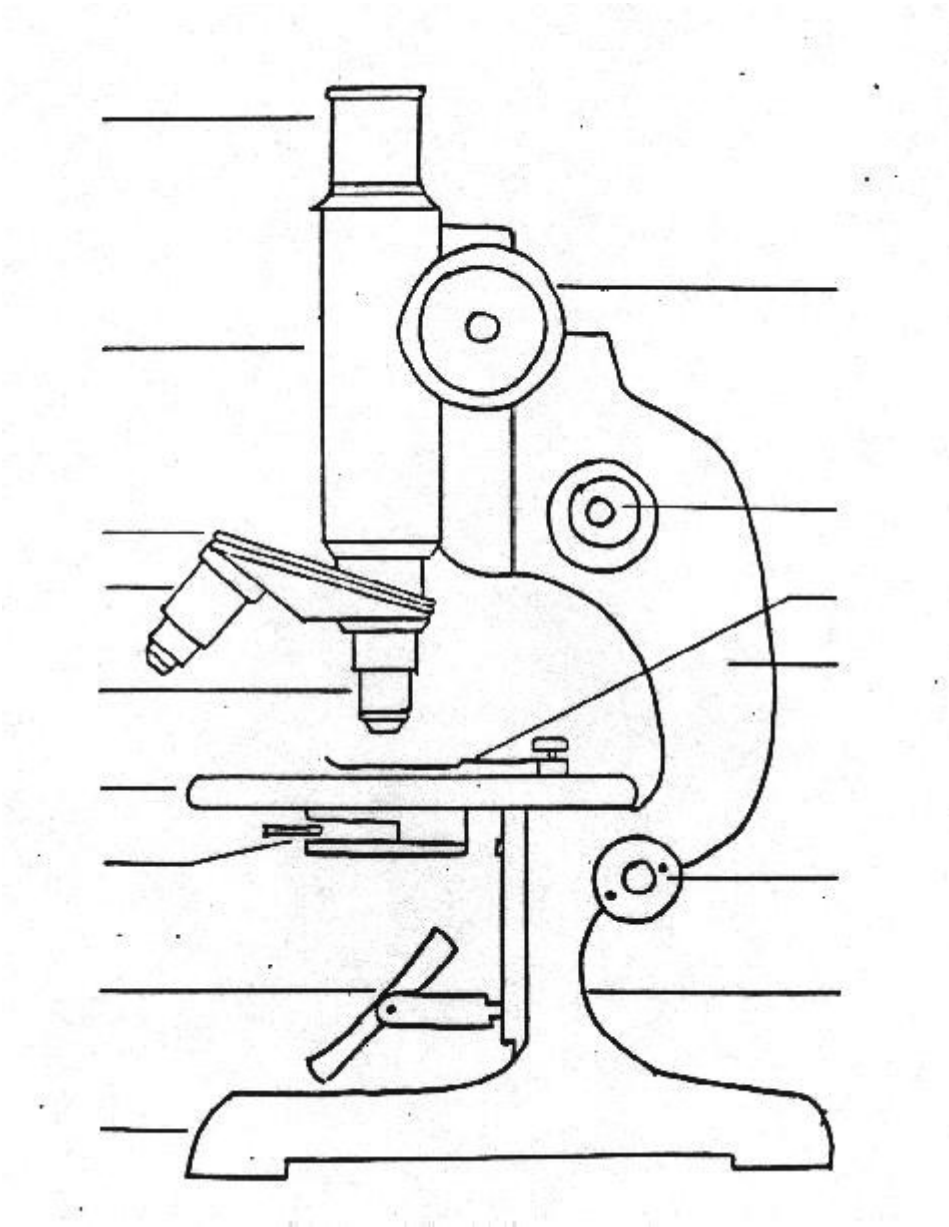

Cells are the _____ blocks of all living things.

Cells can be seen with a _____.

Magnification means making something look _____.

The small parts inside a cell are called _____.

Use the following words to label the diagram of a microscope:  stage, eyepiece, objective lens, barrel, base, mirror, arm, course focus knob, fine focus knob.

Cell Colouring Acitivity

Onto the diagram below do the following colouring:

Cell wall Blu

Cell membrane grey p

Nucleus re

Mitochondria Yello

Chloroplast gree

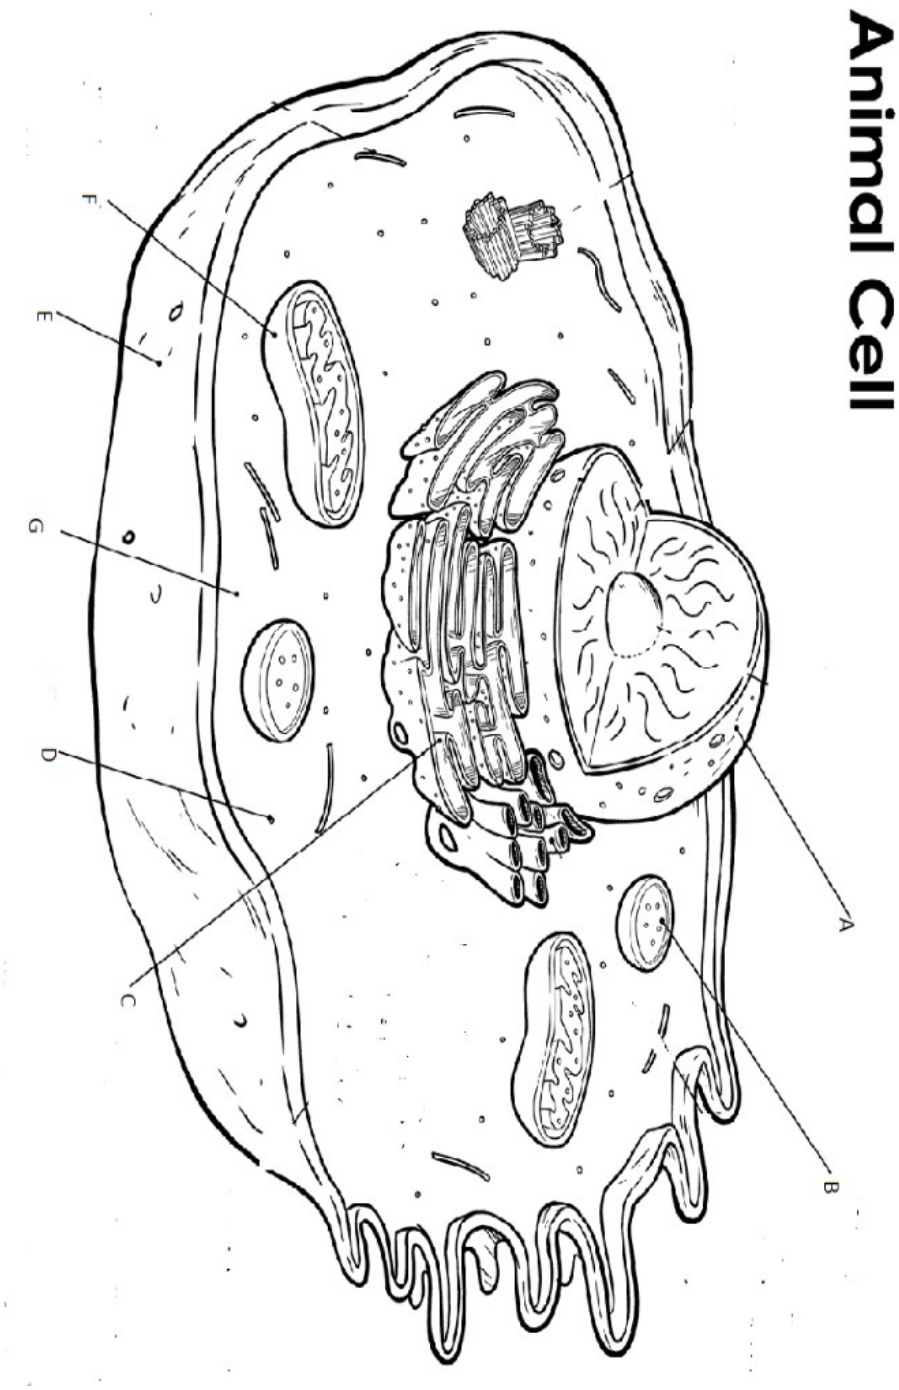

Ribosomes Purp

Plant Cell

Which organelles do plant cells have that animal cells do not have?

Label this diagram

# Cells
