Name_____

Investigating _____

Aim

I am going to find out_____

_____

_____

_____

Hypothesis

I think_____

will cause_____

Prediction

I think that_____

because_____

_____

_____

My Plan

I am going to change_____

_____

_____

I will measure_____

_____

_____

To make it a fair test I must keep these things the same_____

_____

_____

_____

Equipment

I will need_____

_____

_____

Diagram

Method

What I will do

- _____
  _____
- _____
  _____
- _____
  _____
- _____
  _____
- _____
  _____
- _____
  _____
- _____
  _____
- _____

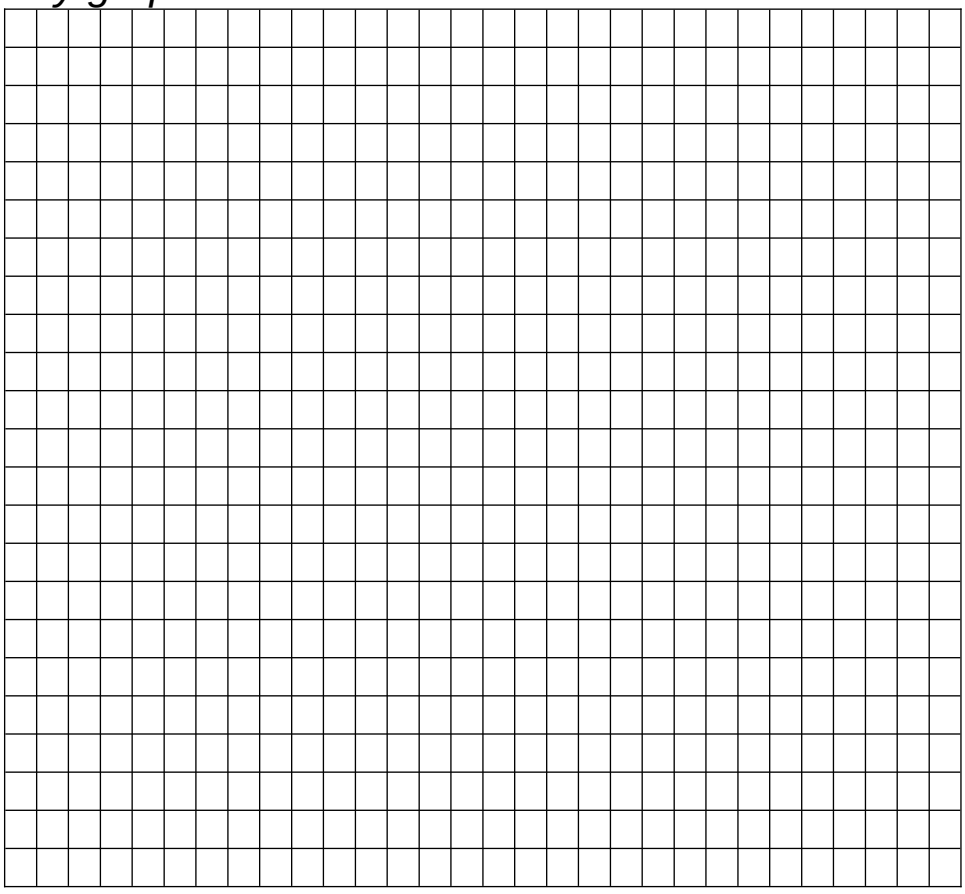

To be safe I will

- _____
  _____
- _____
  _____

Results

My table of results

My graph of results

Conclusion

I found out that_____

_____

_____

_____

_____

_____

_____

_____

_____

_____

_____

Evaluation

My results are not very reliable because_____

_____

_____

_____

_____

_____

_____

_____

The experiment could be improved if_____

_____

_____

_____

_____

_____
