# Identifying Rocks

Use the rock identification key to identify the eleven rocks around the room. You may need to use the microscopes to look more closely at the crystals in the rocks.

Record your observations in the table below.

| Rock Number | Observations | Name of rock | Type of rock |
|---|---|---|---|
| 1 | | | |
| 2 | | | |
| 3 | | | |
| 4 | | | |
| 5 | | | |
| 6 | | | |
| 7 | | | |
| 8 | | | |
| 9 | | | |
| 10 | | | |
| 11 | | | |
