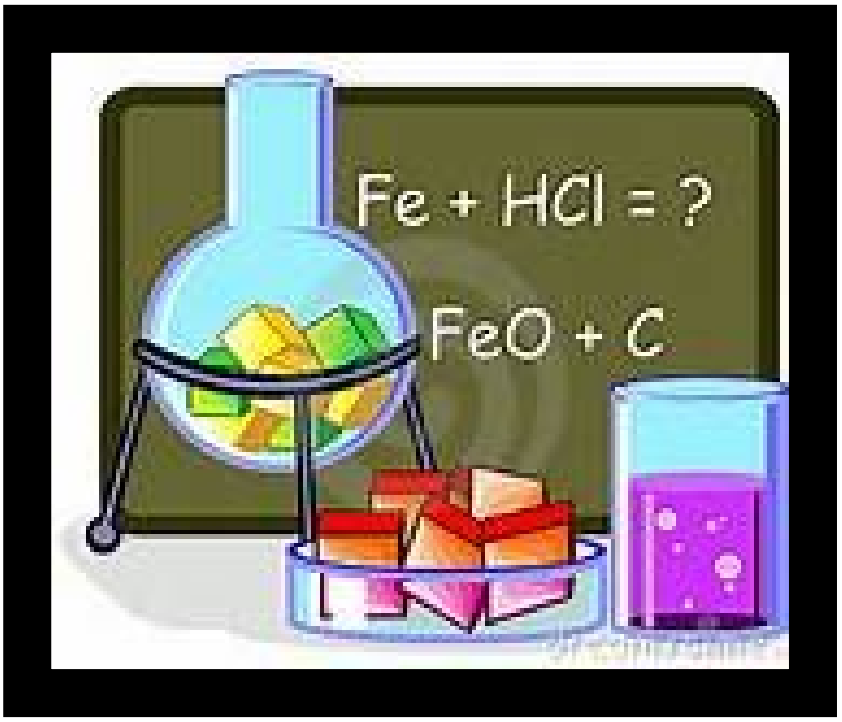
Name: _____ Due date: _____

Year 8 Chemistry

It's Elemental

You have been hired by a media company to create **a new board game/ quiz show** which teaches people about the Periodic Table:



Work in groups of up to four students

YOUR BOARD GAME/QUIZ SHOW MUST COVER <u>EACH</u> OF THESE

What is the Periodic Table?
Who made this table?
How elements are named
How elements are ordered in Periodic Table
Atoms in Elements
Monatomic Elements / Molecular Elements
Differences between Metals & Non Metals / Properties
Lattice arrangements

Common Element Names & Symbols
Compounds – Molecular & Lattice
Mixtures – Gaseous, Liquid & Alloys
