Naming elements

☞ Use the Resource sheet 'The periodic table (1)', the periodic table on the inside front cover, and the word bank below to help you solve the riddles and complete the table below. Each riddle gives a clue about what the name of the element sounds like.

For each riddle:

1 Write down the element's full name and its symbol.

2 Classify it as a metal or non-metal.

Word bank

Po	He	Li	Es	B	Au	Br
Hg	Cu	Sn	Fe	Eu	Ar	Ba

Riddle	Element name	Symbol	Metal or non-metal
