Moora Floods

1. What year was considered a busy year for cyclones?

2. What was the name of the cyclone that hit Moora?

3. How much higher than normal did the river rise?

4. Why was the control centre moved from the police station to the high school in town?

5. Why was communication a huge problem during the floods?

6. How did they get around this?

7. What other threat to Moora was a serious concern after the initial flooding?

8. What sort of cleaning products were donated to residents for the clean up?

9. How much later did Moora flood again?

10. Even thought the second flood was not as bad, the residents were far more devastated. Why?
