Chapter 9 Ecosystems

EXTRA WORKSHEET 2: Insect adaptations

Organisms have features that suit them to the environments in which they live. Look at the photos of insects and **match** one for each of the statements 1 to 5 then explain why you chose that particular insect.

A White and brown wings. Orange and black circles on rear wings

B Dark brown

C Black head and olive green wing covers

D Pale green and yellow

E Dark green and black

F Light green

G Medium brown

H Dark brown
