Descriptions

Look carefully at the food chain below. Describe what you can see in the picture. **Do not** try and **explain** what you see. Start with the plant.

1. The green plant has arrows showing it gets eaten by the worm.

2. _____

_____

3. _____

_____

4. _____

_____

Remember: Imagine the person you are writing for cannot see anything you can see. Don't miss stuff out and **don't explain!**
