Descriptions

Look carefully at the solar eclipse below. Describe what you can see in the picture. **Do not** try and **explain** what you see. Start with the moon.

1. The moon is between the Earth and the Sun.

2. _____

_____

3. _____

_____

4. _____

_____

Remember: Imagine the person you are writing for cannot see anything you can see. Don’t miss stuff out and **don’t explain!**
