Emotions

Student: ..... Class: .....

Draw a diagram of a facial expression in each space below to depict each of the 10 basic emotions.

10 basic emotions

Joy	Surprise		
Anger	Sadness	Shame	Guilt
Disgust	Interest/excitement	Fear	Contempt

Team up with a partner. Each person is to write down 5 basic emotions on a piece of paper without letting the other person in the pair see the paper. Take it in turn to use body language to act out the emotion. You must not speak, but you can use facial expressions. The other person has 10 seconds to guess the emotions.
