All Tied UP!

(Open this in pages, answer the questions, send it to Notability as a PDF when Complete)

1. What do you think might happen if one part of your ‘circle environment’ is removed?

2. Try this and discuss what happened?

3. While standing in the circle, discuss which parts of the environment you would not let go of. Include reasons for the suggestions given.

4. In your circle, all of those parts that were non-living (abiotic) sat down. Which ones were they, and why?
