Worksheet 5.3

Science Quest 7: pages 185–187

The pool shop

Student: ..... Class: .....

You are the owner of the Swim Smart Pool Shop. A new customer is asking you all about care and maintenance of her pool. Try to answer her questions and attempt to sell her one of the items from the shelf behind the counter. Use persuasive language to convince her she needs it.

Use the information in the picture below to help answer the customer's questions.

1. How do I get rid of the leaves on the surface of the water?

.....

.....

.....

.....

.....

.....

2. How do I get the dirt off the floor of the swimming pool?

.....

.....

.....

.....

.....

.....

.....

.....

3. The water is cloudy. How can I make it clear?

.....

.....

.....

.....

.....

.....

.....

.....

4. What is a filter for? Do I really need one?

.....

.....

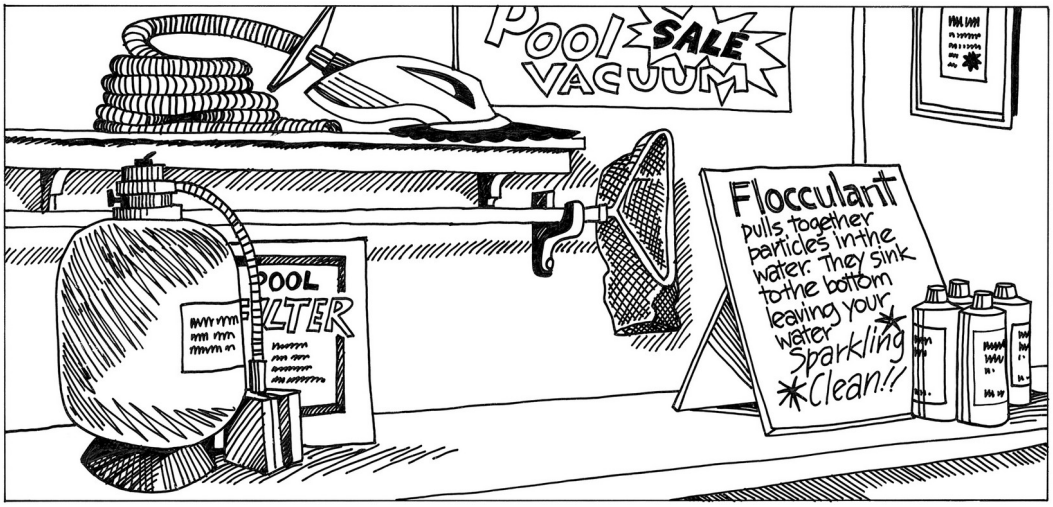

.....

.....

.....
