ACIDS AND BASES

Use the textbook Big Ideas 9 to do some notes on acids, bases and the pH scale.

Complete the following table, listing the characteristics of acids and bases as dot points. ***(See p. 71 BI9.)***

Characteristics of Acids	Characteristics of Bases

pH Scale

Describe what this scale is and how it relates to the strength of acids and bases. Use dot points. ***(See p. 73 BI9.)*** Include Fig. 3.9 p. 74 - it shows the scale with colours very well.
